

# Custom Color Video/Photography Wedding Contract

This agreement between Custom Color Photo Lab and the undersign, will be carried out as stated:

(1) Fifty percent of the price of the wedding package chosen by the undersign will be paid at the time this agreement is signed. Some cases may require payment in full. Some packages may require overtime of no more than twenty dollars per half hour with a one hour minimum.

(2) Custom Color Photography will be responsible for being at the designated location specified by the undersign, Custom Color Photography will be at said location at least 30 minutes before ceremony, unless a different time is arranged prior to the date of the wedding. All photographs, and or CD's specified in the package will be presented to undersign or person(s) designated by undersign within 12-24 working days, unless undersign has allowed extended delivery date, or has made special request not stated in package. All video(s) specified in package will be presented to undersign or person(s) designated by undersign within designated time in package, unless undersign has allowed extended delivery date, or has made special request not stated in package.

(3) All additional orders not made at the time of the signing of this contract will be satisfied with a fifty percent deposit before that order will be met by Custom Color Photography, unless prior arraignments have been made that are not stated in this contract. Person(s) placing order will be responsible for this deposit.

(4) All deposits are nonrefundable. Custom Color Photography reserve all rights to refund deposit in case of emergencies beyond it's control, or in case of any changes made to this contract after the signing.

(5) Additional cost will apply if wedding is delayed and or does not start on time agreed upon in the arrangements.

(6) If photographer and or videographer has to leave prior to the end of the wedding event due to it not starting on time, Custom Color will not be held responsible.
